## | PCB Assembly Tips

From components to fully assembled PCBs. JLCPCB supports PCB assembly for the USB\_C\_Receptacle\_USB2.0\_16P. Sign up to receive and [start your assembly today](#) →

- 1 Step 1 - Pre-order the parts you need from JLCPCB.
- 2 Step 2 - Place a PCBA order to have those parts assembled onto your boards.
- 3 Step 3 - JLCPCB manufactures and assembles your boards in as fast as 3 days.
